|                            |   |
|----------------------------|---|
| <b>Product Code</b>        | XE-3581-001                             |
| <b>General Description</b> | Fast response, welded exposed junction  |
| <b>Sensor Type</b>         | Exposed Junction                        |
| <b>Thermocouple Type</b>   | K                                       |
| <b>Cable Length</b>        | 2M                                      |
| <b>Cable Type</b>          | Teflon® PFA insulated twin-twisted lead |
| <b>Core / Strands</b>      | 1/0.2mm                                 |
| <b>Termination Type</b>    | Miniature Plug                          |
| <b>Max. Temperature</b>    | 250°C                                   |
| <b>Min. Temperature</b>    | -75°C                                   |
| <b>Standards Met</b>       | ANSI MC96.1                             |
| <b>Series</b>              | Exposed Junctions                       |
